

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students must hand in their devices to the Front Office where they will be securely stored in individual pockets in the Finance Office. This office is securely locked when personnel are not in attendance.

If the student does not comply

- The device will be confiscated and stored in the Finance Office. It will be the responsibility of the parent to collect the device at the end of the day. If there is refusal to hand over the device, parents will be contacted and a time-out in the Front Office will apply.

Students

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.
